

## OUR SERVICES

American Liberty Logistics offers a wide range of services tailored to the unique needs of government contracts, including:

Project Management

Production Management

Consulting

Business to Government Procurement

Third-Party Logistics Coordination

## WHAT SETS US APART:

What sets A.L.L. apart is our unparalleled blend of expertise and experience. Our team brings together over 50 years of military experience across the Army, Navy, and Marine Corps, alongside over 10 years of consulting experience and seven graduate degrees in fields such as MBAs, Information Management Systems, Accounting, and Marketing. This diverse background provides us with a unique perspective on strategic planning, advising, logistical and production planning, and comprehensive process analysis, positioning us as a leader in the field.

**SUPPORTING THE AMERICAN  
WARFIGHTER WITH EXCELLENCE  
IN LOGISTICAL SOLUTIONS**

## ABOUT US:

A Disabled-Veteran Owned LLC, American Liberty Logistics (A.L.L.) specializes in providing comprehensive business-to-government logistical support. From procurement to delivery, A.L.L. is dedicated to offering end-to-end logistical coordination. Our mission is to deliver timely and cost-effective logistical solutions in support of the American Warfighter and related entities, ensuring their operational success and efficiency.
